PROFILE

Motivated and ambitious Software Development student with a passion for creating innovative and efficient solutions. Eager to apply theoretical knowledge gained through coursework and hands-on projects to contribute effectively in a dynamic software development environment.

WORK EXPERIENCE

IT Specialist

Estonian Defense Force   2022

Served as an IT Specialist during mandatory military service, where I gained hands-on experience in network management, troubleshooting technical issues, and maintaining IT infrastructure. This role enhanced my skills in problem-solving, teamwork, and working under pressure in a structured environment.

Developer Internship

ART-KON-TOR Digital   04.2024 - 05.2024

Completed my first internship in Germany through the ERASMUS+ EU program, where I gained invaluable insights into collaborative teamwork within a professional environment. I had the opportunity to contribute to a full-stack project from concept to execution, working closely with a team to develop and refine solutions.
